Auction Service

Auction Service

Service Definition

FANA LTD. is a company licensed to conduct auctions by the Real Estate General Authority. The company is accredited by various private and public entities to hold auctions on their behalf, and is also accredited by the Ministry of Justice and the Entrustment and Liquidation Center (Infath).

FANA LTD. offers two types of auctions

✓ Judicial and Liquidation Auctions

✓ Private Auctions

Type One: Private Auctions

FANA LTD. organizes private auctions for the sale of land, developed properties, buildings, and towers across all categories of use, including:

Off-plan sales

Agricultural
use

Industrial
use

Office use

Touristic use

Commercial
use

Residential
use

Type Two: Judicial and Liquidation Auctions

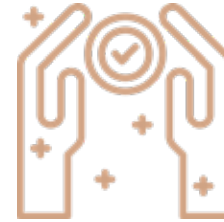

FANA LTD. is a licensed and accredited company by the Ministry of Justice to organize judicial auctions. With extensive experience in conducting auctions according to established methods and procedures, FANA ensures that each auction is carried out with precision, transparency, and a high standard of governance, safeguarding the interests of all parties and upholding the fairness and integrity of the process.

Governance

Precision

Transparency
